## G U A R A N T E E

The cattle offered in this sale are from a Federally accredited herd for T.B. The bulls are officially vaccinated for Bangs. Health and Export certificates will be furnished.

1. Proper care in feeding and management should be given by purchaser to protect breeding qualities and health of animals.
2. All bulls sold individually are guaranteed breeders. A bull shall not be allowed to serve when under fourteen months of age or allowed to run with the herd under twenty months of age.
3. Any animal not proving up to foregoing guarantee shall be replaced with another of equal value at the time of purchase to the satisfaction of the purchaser or the purchase price will be refunded at the seller's option, but the seller may, if he desires, have the animal returned for retrial for a period not to exceed six months.

The expense of return freight in such case is to be paid by the seller. If the animal is proved to be a breeder beyond doubt, it shall be returned to the purchaser at his expense. In case the animal proves to be not a breeder then the purchaser shall be given the option of having purchase price refunded without interest or of accepting a substitute as stipulated above. Salvage to go to the seller. No charge for feed or maintenance shall be made by either buyer or seller.

4. A certificate of registry in the Dominion Shorthorn Herd Book will be furnished with each animal.

As soon as cattle are sold they are at owner's risk, but every care and attention will be given them and they will be loaded free of cost.

Shipment will be made as soon as possible after close of sale and without trouble to the purchasers, but at their risk of loss or injury.

Terms: Cash at time of purchase.
